VIJETA PUBLIC SR. SEC. SCHOOL, KARNAL 📅 2020-2021

**DIPLOMA IN CSE**
HSBTE UNIVERSITY,India 📅 2021-2024

## SKILLS

**LANGUAGES :-** C , C++ , Java ,Php

**WEB DEVELOPMENT :-** HTML 5 , CSS ,Python

**DATABASE :-** SQL

**TOOLS :-** Visual Studio Code

## PROJECTS

**INFOTECH TRAINING SITE:-**

**Web Development Training Center**
Welcome to our Web Development Training Center, where we equip individuals with the skills needed to excel in the dynamic field of web development.

**CCTV INFORMATION SITE :-**

A CCTV information site employs HTML, CSS, and JavaScript to showcase surveillance solutions. Users browse product details, view specifications, and access pricing information. Responsive design ensures seamless navigation across devices, while JavaScript enhances user interaction, providing a dynamic browsing experience.

**SPOTIFY CLONE :-**

A Spotify clone, developed using HTML, CSS, and JavaScript, replicates the music streaming platform's features. Users can search, play, and create playlists. The interface is styled with CSS for aesthetic appeal, while JavaScript adds functionality for track playback, playlist management, and user interaction, mimicking the original Spotify experience.
